

# 2021 Indoor Paper League

This will consist of a 330 round shot on a Vegas target. Xs will count as 11 points, then 10-9-8-7-6-5-4-3-2-1.

This is a five-week league which begins on Monday, February 22. Weeks run from Monday morning through Sunday night ending on Sunday night, March 28.

There will be three divisions – Compound, Traditional, and Youth 15 years old and down.

There is no entry fee. You may enter in more than one division.

This is a handicap league. For the first week, your handicap will be 90% of the difference between your raw score and 330; this will be added to your raw score for a total score. For subsequent weeks, 90% of the difference between your last week's raw score and 330 will be added to your current week's raw score. This new total will be limited to not exceed 330.

The five total weekly scores (with handicap) will be added together to determine the winner at the end of the tournament.

Weekly scores must be turned in by Sunday night. If you think you may get behind, you may score in advance. Late scores will not be accepted. Scorecards will be available – please put your name, Week #, and division on each scorecard. Place your scorecards in the wooden box on the bench by the clock.

Winners will be awarded with their names placed on a continuous plaque displayed at the indoor range for all to admire for all of eternity.
